Didn't believe I could stray from home,  
Indian summer I was all alone.  
And I didn't believe  
I was doing wrong,  
But I hurt you.  
Went for a ride,  
And I didn't mean to  
Stray from the path  
To the in between.  
An innocent ride  
With a long lost friend,  
See I had to.  
And now,  
Now I can't look in your eyes,  
'Cause you'll see the wrong  
That I hide,  
Now I can't look in your eyes...  
Somehow I took the love right  
Outta you didn't I?  
It's sometimes better  
If you face the truth alone.  
I promised we be  
Forever now didn't I?  
Nothing matters when a lie  
Turns fire cold.  
If I was you  
I could understand,  
A passionate night  
With another man,  
Well maybe I tried so at least  
You could see,  
I need you.  
She didn't mean  
Anything to me,  
I knew her from school baby,  
Can't you see.  
We all make mistakes and  
You're hurting inside,  
See, I bleed too.  
I thought we had  
Somethin' special baby,  
I know I'm wrong

Can't you see me cry?  
If you forgive me now,  
I promise baby  
I'll never need to  
Apologize again...
