Standing on the corner
Waiting in the rain
I swear I'll never wait again
You give me your word
But words for you were lies

Drowning in my water streams
I never thought I would go
But it's time to let you know
I'm gonna harden my heart
I'm gonna swallow my tears
I'm gonna turn and leave you here

All my life I've been waiting
Waiting on that feeling that
Never change
Feel so close but allways dissappears

Drowning in my water streams
I never thought I would go
But it's time to let you know
I'm gonna harden my heart
I'm gonna swallow my tears
I'm gonna turn and leave you here

Drowning in my water streams
I never thought I'd go
But it's time to let you know
I'm gonna harden my heart
