Sometimes I wake up baby  
And you're not around  
And my heart starts sinking  
That won't go away  
'Til I remember that you  
Are coming back to me oh so shortly  
To make room for all of the children  
And our wedding rings

It's only been six days  
Since I put you on that plane  
Sent you to the sky  
Like my childhood

I'm meeting you real soon  
And something closer to the winter

My head's wrapped up like a patient  
But I'm not a patient  
So please come back to me  
With your songs for us to sing  
Your?  
Recording your revenge songs

It's only been six days  
Since I put you on that plane  
Sent you to the sky  
Like my childhood

It's only been six days  
Since I put you on that plane  
Sent you to the sky  
Like my childhood  
Childhood
