I see a house, a house of stone  
A lonely house, 'cause now you're gone  
7 rooms, that's all it is, 7 rooms of gloom  
I live with emptiness, without your tenderness

You can take the dream I had for us  
And turn that dream into dust  
I watch a phone that never rings  
I watch your door that never brings

Brings you back into my life  
And turn this darkness into light  
I'm all alone in this house  
Turn this house into a home

I need your touch to comfort me  
Your tender, tender arms that once held me

Without your love, your love inside  
This house is just a place to run and hide  
7 rooms, that's all it is, 7 rooms of gloom  
I live with emptiness, without your tenderness

Don't make me live from day to day  
Watching a clock that ticks away  
Another day, another way  
Another reason for me to say

I need you here, here with me  
I need you darling, desperately  
I'm all alone, all alone  
In this house that's not a home

I miss your love, if I once had known  
I miss your kiss that was my very, very own

In the silence that surrounds me  
Lonely walls, they stand  
7 rooms, that's all it is, 7 rooms of gloom  
I live with emptiness, without your tenderness

And all the windows are painted black

I'll wait right here until you get back  
I'll keep waiting, and waiting  
Until your face again I see

Darling, yeah yeah, huh

I want you back now  
I keep waiting, and waiting  
I want you back now  
I keep waiting, and waiting

Come on back now  
I keep waiting, and waiting, and waiting, waiting,  
waiting, waiting  
I want you back now, oh now  
Come on back now
