Now just because your pretty, and you think you're
mighty wise
You tell me that you love me, then you roll those big
brown eyes
When I saw you last week, your eyes were turnin' black
Go find the guy that beat you up - ask him to take you
back
Don't roll those bloodshot eyes at me
I can tell you've been out on a spree
Well it's plain that you're lyin'
When you say that you've been cryin'
Don't roll those bloodshot eyes at me

I used to spend my money, to make you look real sweet
I wanted to be proud of you when we walked down the
street
Now don't ask me to dress you up, in satin and in silk
Your eyes look like two cherries in a glass of bottled
milk

Don't roll those bloodshot eyes at me
I can tell you've been out on a spree
Well it's plain that you're lyin'
When you say that you've been cryin'
Don't roll those bloodshot eyes at me
So I guess our little romance has finally simmered
down
You should join the circus, you make a real good clown
Your eyes look like a roadmap, I'm scared to smell your
breath
You better shut your peepers before you bleed to death

Don't roll those bloodshot eyes at me
I can tell you've been out on a spree
Well it's plain that you're lyin'
When you say that you've been cryin'
Don't roll those bloodshot eyes at me

Don't roll those bloodshot eyes at me
