People like to shake you up and put you down
Run you all around, drive you crazy
Like to steal the roses right out of your bed
Get inside your head, drive you crazy
Never really knew what love could be, yeh
Never really thought about you and me, yeh
Crazy - I really wanna go crazy
Feel like I'm gonna go crazy
Crazy - I really wanna go crazy
Feel like I'm gonna go crazy

Everybody tells you how you ought to be
What they think they see, they can't teach you, no
Big world on your shoulder, it don't mean a thing
If that song they sing, hey - don't reach you
Never really knew what love could be, yeh
Only want to think about you and me, yeh
Crazy - I really wanna go crazy
Feel like I'm gonna go crazy
Crazy - I really wanna go crazy
Feel like I'm gonna go crazy
Crazy, crazy
Hey baby, baby, oh, oh, oh

Crazy, crazy, crazy
Crazy - I really wanna go crazy
Feel like I'm gonna go crazy
Feel like I'm gonna go crazy
Crazy - feel like I'm gonna go crazy
