Yeah
Hammer lands, the verdict stands
The walls come crumblin' down
The color code, rule of thumb
Shadows on the sun
Can you tell me, where it's really at?

All around the world tonight
People watchin', people waitin'
All around the world tonight
People feelin' disconnected
Somebody better plug me in

The jukebox plays a toxic waltz
A factory belches steam
A sidewalk ends in baby steps and
A widow maker screams
And it sounds like this
Hear her call your name

All around the world tonight
People watchin', people waitin'
All around the world tonight
People feelin' disconnected, yeah

The page is turned a city burned
The whole world falls apart
The plug is pulled, truth escapes
The space between our hearts
Space between our hearts
Space between our hearts,yeah

All around the world tonight
Yeah
