Standin' in the doorway  
Forgot to say one thing  
You've always had the power  
To lift my wings

I know, I shouldn't need so much  
An' we could say goodbye  
Oh yes, I am a dreamer  
I still see us flyin' high

We can start over, darlin', it's clear  
Love is what brought you here

Don't walk away, oh, to see if I follow  
Don't walk away, victory's hollow  
Been that road, it didn't take us home  
Turn around, you won't be alone

Somethin' brings us together  
Keeps tearin' us apart  
The wounded are much wiser  
We'll just take it from the start

We can start over, darlin', it's clear  
Love is what brought you here

Don't walk away, oh, to see if I follow  
Don't walk away, victory's hollow  
Been that road, it didn't take us home  
Turn around, you won't be alone

We can start over, darlin', it's clear  
Love is what brought you here

Don't walk away, oh, to see if I follow  
Don't walk away, victory's hollow  
Been that road, it didn't take us home  
Turn around, you won't be alone  
Don't walk away

Don't walk away, oh, to see if I follow  
Don't walk away, victory's hollow

Been that road, it didn't take us home  
Turn around, you won't be alone

Don't walk away, oh, to see if I follow  
Oh, don't walk away, don't walk away  
Been that road, it didn't take us home  
Turn around, turn around, you won't be, you won't be  
alone
