You say you'll always be there  
But I know you won't  
You say you love me, you swear  
But I know you don't

[Chorus]

I got better things I can do ya know  
Than waste all of my time on you  
Why don't you just go

You say I got it all wrong  
That everything's changed  
But I know where I belong  
It's far, far away

[Chorus]

Pick yourself up, get yourself moving  
Don't turn around, just keep on going  
There's nothing you can say  
To change my mind today  
There's only one thing left to do  
I guess you'll have to go  
You say you're a different man  
But you know that's a lie  
The truth is gonna set you  
Free and so am I

[Chorus 2x]
