Well you're the real tough cookie with a long history
Of breaking little hearts, like the one in me
That's okay let's see how you do it
Put up your dukes, let's get down to it

Hit me with your best shot
Why don't you hit me with your best shot?
Hit me with your best shot
Fire away

You come on with a come on, you don't fight fair
But that's okay, see if I care
Knock me down, it's all in vain
I'll get right back up on my feet again

Hit me with your best shot

Why don't you hit me with your best shot?
Hit me with your best shot
Fire away

Well you're a real tough cookie with a long history
Of breaking little hearts, like the one in me
Before I put another notch in my lipstick case
You better make sure you put me in my place

Hit me with your best shot
Come on, hit me with your best shot
Hit me with your best shot
Fire away

Hit me with your best shot
Why don't you hit me with your best shot?
Hit me with your best shot
Fire away
