There comes a time
When you should see things clear
Free from my innocence
There is no circumstance too severe
Only the need for us, for us to believe again

There is a time, temptation's on the run
Dreamer, you've had your way
Soldier, you've had your day in the sun
Now it's time, oh, it's time for us to begin again

Le bel age
Only our love will remain
Le bel age
Close to the truth once again

There comes a time
When you must find your way
Beggar has made his bed
Wrapped in a silhouette of gold and gray
Now it's time, yes it's time for us to believe again

Le bel age
Only our love will remain
Le bel age
Close to the truth once again

Le bel age
Only our love will remain
Le bel age
Close to the truth once again

Standing so close to me, the possibility
To change our destiny
I see it perfectly, moving so naturally
Nothing can stand in our way

Le bel age
Only our love will remain
Le bel age
Close to the truth once again

Le bel age
Only our love will remain
Le bel age
Close to the truth once again

Le bel age
Only our love will remain
Le bel age
Close to the truth once again
