She's a personality, enjoying popularity
For making movies rated x
Posing for a magazine, picture in a limousine
Someone simulating sex
Never thought that she could be
Lonely with her vanity
Wasted days and lonely nights
Working for the sugar man
Make each other happy man
Cause satisfaction's guaranteed all night

Drinking champagne is a past time
Making hot love is a main line
Money buys love and a wild time
Making hot love is a main line
Hot love!

She wakes up, and breaks up
And wonders why love is unkind
She waits up, and makes up
And looks in the mirror to find

Pink champagne and diamond rings
Fascinating bright young things
Dancing at the discotechs
Starring from the silver screen
See you in a midnight dream - rated x

Drinking champagne is a past time
Making hot love is a main line
Money buys love and a wild time
Making hot love is a main line

Drinking champagne is a past time
Making hot love is a main line
Money buys love and a wild time
Making hot love is a main line
Hot love!

Come on, gimme' hot love
Satisfaction guaranteed
