Many times I've tried to tell you
Many times I've cried alone
Always I'm surprised how well you
Cut my feelings to the bone

Don't wanna leave you really
I've invested too much time
To give you up that easy
To the doubts that complicate your mind

We belong to the light
We belong to the thunder
We belong to the sound of the words
We've both fallen under

Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together

Maybe it's a sign of weakness
When I don't know what to say
Maybe I just wouldn't know
What to do with my strength anyway

Have we become a habit?
Do we distort the facts?
Now, there's no looking forward
Now, there's no turning back
When you say

We belong to the light
We belong to the thunder
We belong to the sound of the words
We've both fallen under

Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together

Close your eyes and try to sleep now

Close your eyes and try to dream
Clear your mind and do your best
To try and wash the palette clean

We can't begin to know it
How much we really care
I hear your voice inside me
I see your face everywhere
Still you say

We belong to the light
We belong to the thunder
We belong to the sound of the words
We've both fallen under

Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together

We belong to the light
We belong to the thunder
We belong to the sound of the words
We've both fallen under

Whatever we deny or embrace
For worse or for better
We belong, we belong
We belong together

We belong to the light
We belong to the thunder
