I don't know what it is that makes me love you so  
I only know I never want to let you go  
Cause you started something  
Can't you see  
That ever since we met  
You've had a hold on me  
It happens to be true  
I only wanna be with you

It doesn't matter where you go or what you do I want to  
spend each moment of the day with you  
Look what has happened  
You just walked in  
I never knew that I could be in love like this  
It's crazy but it's true  
I only wanna be with you

You stopped you smiled at me  
And asked me if I wanted to dance  
I fell into your open arms  
I didn't stand a chance

Now listen honey

I just wanna be beside you everywhere  
As long as we're together, honey  
I don't care  
cause you started something  
can't you see  
That ever since we met you've had a hold on me  
No matter what you do I only wanna be with you

No matter, no matter what you do  
I only wanna be with you  
No matter, no matter what you do  
I only wanna be with you
