Sitting on the grass
Taking in the day
Watching the birds fly by

Sitting in the sun
Taking in the fun
Hearing children's laughter

People smiling brings lovin'
Spreading blessings for being

Chorus

I'm alive and It's universal
(So smile to shine)
Gonna keep my smile to shine
(So smile to shine)
Gonna keep on going on
(So smile to shine)
Today is a good day
(So smile to shine)

Sitting in the grass
Thinking of my past
Mind of open channels

Meditating
Feeling great for to be living
Life's amazing

People smiling brings lovin'
Spreading blessings for being

Chorus

Birds singing in harmony
Bliss beginning for you and me
No messin'
Birds singing in harmony
Bliss beginning
Memories

Smile to shine, smile to shine

Smile smile.

Chorus and adlibs to end
