This land is mine

God gave this land to me

This brave and ancient land to me
And when the morning sun
Reveals her hills and plains
Then I see a land
where children can run free.

So take my hand
And walk this land with me
And walk this lovely land with me
Tho' I am just a man

When you are by my side

With the help of God
I know I can be strong.
So take my hand
And walk this land with me

And walk this golden land with me.
Tho' I am just a man

When you are by my side

With the help of God
I know I can be strong.

To make this land our home

If I must fight

I'll fight to make this land our own.
Until I die this land is mine!
