Gee Whittakers

All you want to do is play

Jiminy Crickets

You'll never get no

Loving that way

Holy Smoke

Don't you ever wanna kiss

Gee Whittakers

Look at all the fun we'll miss

Heebie Jeebies

Baby, what you gonna do

Holy Cow, I never

Seen nobody like you

Gee Whittakers

You never give me a chance

Jeepers Creepers

All you wanna do is dance

Doggone it

Ain't you gonna ever stop

Gee Whittakers

You're gonna make me

Blow my top

Jumping Jupiter

Save that energy

Suffering Catfish

You'll have nothing

Left for me

Gee Whittakers, baby

Don't you give a dime

By Crackety, come on

Let's have a time

Doggone it, you're

Just a little gadabout

Gee Whittakers, come on

And knock me out

Oh, Shucks
You and me
Gee Whittakers
Come on and knock me out
