By Pat Boone

?1995 Dead Horse Music (BMI)

Now up and at'em here we go I'm off again to the  
rodeo, and I've sure got a lotta little things on my mind,  
One is a song I just started writing, another is a girl I  
just finished fighting, she said it was me but Lord I just  
don't believe her, and if you want to know where I'm a  
coming from, just sit right here and I'll tell you son, this  
life I lead ain't as wonderful as it appears.

Chorus

Here I go again just singin in this dive,  
Lone Star Beer in my cereal is keepin' me alive,  
I gave up on Nashville along time ago,  
Yeah but here I go Lord once again here I go.

Now I don't need to be too rich, I'm just an old hard-  
headed sonuvabitch,  
With my eyes still set on the glory days, Back in the  
times of the Dukes of Hazard,  
Listening to Willie and old Merle Haggard,  
And smiling just a little as I poked along in my truck,  
Now there's a lot of poor folks in my situation,  
With years of heartache and frustration,  
Just kinda watching their dreams turn into years

Chorus

Let me tell you folks it don't really matter ,  
That beer you're drinkin' never made you fatter,  
It's all those nights on the couch with the Shiner Bock  
Beer,  
After twelve years with Copenhagen,  
I've finally found that I was mistaken,  
It's not going to be something to add some years to my  
life,  
And that's why I'm still dipping today ,  
And every morning I hear moma say,  
That shit is gonna kill you if the women don't get you  
first.

## Chorus
