Lonely days are gone  
Twilight sings a song of all  
The happiness that used to be.

Soon my eyes will close.  
Soon I'll find repose.  
And in dreams, you're always near to me

I'll see you in my dreams  
And I'll hold you in my dreams

Someone took you right out of my arms  
Still I feel the thrill of your charms  
Lips that once were mine  
Tender eyes that shine  
They will light my way tonight  
I'll see you in my dreams.

interlude

Lips that once were mine  
Tender eyes that shine  
They will light my way tonight  
I'll see you in my dreams.

They will light my lonely way tonight  
I'll see you in my dreams.
