Love hurts, love scars, love wounds and mars  
Any heart not tough nor strong enough  
To take a lot of pain, take a lot of pain  
Love is like a cloud, holds a lot of rain

Love hurts, oh, love hurts, you're young, yes, I know  
But even so you know a thing or two that I learned from  
you  
I really learned a lot, yeah, I really learned a lot  
Love is like a stove that burns you when it's hot

Huh, love hurts, love hurts, oh, some fools rave of  
happiness  
Blissfulness, togetherness, some fools fool  
themselves, I guess  
But they're not foolin' me, I know it isn't true, I know it  
isn't true  
Love is just a lie made to make you blue

Love hurts, oh, love hurts, some fools fool themselves,  
I guess  
Hey, but they're not foolin' me 'cause I know, I know it  
isn't true  
Oh, I know it isn't true, love is just a lie made to make  
you blue

Love hurts, love hurts, love hurts
