In my lonlieness when you're gone

And I'm all by myself

And I need your caress

I just think of you

And the thought of

Holding you near

Makes the lonelieness

Soon disappear

Though you're far away

I have only to close my eyes

And you are back to stay

I just think of you

And the sadness

That missing you brings

Soon is gone and this

Heart of mine sings

Yes, I love you so

And that for me

Is all I need to know

I will wait for you

Til the sun falls

From out of the sky
For what else can I do
I will wait for you
Meditating how sweet life will be
When you come back to me
I will wait for you
Til the sun falls
From out of the sky
For what else can I do
I will wait for you
Meditating how sweet life will be
When you come back to me
Meditating how sweet life will be
When you come back to me
