Last night we met  
And I dream of you yet  
With the wind and the  
Rain in your hair

I held you tight and  
You whispered good night  
With the wind and the  
Rain in your hair

Now it will be  
My favorite memory  
That vision of you  
Standing there

Oh, there in the mist  
How you sighed when we kissed  
With the wind and the  
Rain in your hair

Now it will be  
My favorite memory  
That vision of you  
Standing there

Mmm, there in the mist  
How you sighed when we kissed  
With the wind and the  
Rain in your hair
