Last night I woke up on the strangest dream I've ever
had and,
I woke up breathing smoke.
(Breathing smoke, breathing smoke)
I couldn't explain it but the house is empty I'm all alone
yeah,
(Breathing smoke)
And I fear I'm gonna choke.

Back home I go
(I don't think I'll be going home)
Tonight, I'll see my friends again
(Between the Kung Fu fighting and the disco lighting I
don't think I'll be coming home tonight)
Back home I go
(I don't think I'll be going)
Tonight I'll see my love tonight

Day to another night (night) another nightmare another
blind stare
The second hands moving slow (moving slow, moving
slow)
Loss of identity
A problem with obscenities, yeah
I followed the wrong road.

Back home I go
(I don't think I'll be going home)
Tonight, I'll see my friends again
(Between the Kung Fu fighting and the disco lighting I
don't think I'll be coming home tonight)
Back home I go
(I don't think I'll be going)
Tonight I'll see my love tonight

Way-oh, Way-oh

One, Two!
Back home I go (I don't think I'll be going) Tonight I'll
see my love tonight *[repeat x2]*
Back home I go (I don't think I'll be going) Tonight I'll see

my love tonight.
