Well I've been walking for so long  
In the pouring rain,  
And now I'm singing love songs  
To keep away the pain,  
Because I know your leaving  
And I don't know why,  
But I know I'll never get you back  
So I guess that I won't try,  
I won't TRYYY  
Those secrets you've been keeping  
Inside your head  
Those times that you had hurt me  
With things you said  
And now I know your leaving  
No I just can't find the reason  
But I'm awfully glad it's raining.  
This way you can't see me.  
You can't see me cry.  
So now I'll try my best to,  
To forget the past  
Another hopeless romance  
That I thought would last  
Because you used me up  
And pushed me to the side,  
But I know I'll never get you back,  
So I guess that I won't try,  
Those secrets you've been keeping  
Inside your head  
Those times that you had hurt me  
With things you said And now I know your leaving  
No I just can't find the reason  
I'm awfully glad it's raining  
This way you can't see me  
You can't see me cry.  
Those secrets you've been keeping  
Inside your head  
Those times that you had hurt me  
With things you said  
And now I know your leaving  
No I just can't find the reason  
But I'm awfully glad it's raining.

This way you can't see me cry.  
You can't see my cry.  
I'm stopping from calling  
I know that your balling  
Deep down in your heart  
As your gracefully falling apart  
Falling apart.
