Yes, we're back again
With a new funky rhyme from Beat System
Give you more on the floor if you really want to
Say yeah and then you'll know what to do,
Reggae, Reggae music you know what it is
And we know how to use it,
Keep on dancing hold on tight
Ladies and Gentlemen Reggae Night

*Reggae Night-we come together when the feeling is
right
Reggae Night-and we will jamming till the morning light

Reggae Night, baby, you can feel alright
This is the Reggae Night, baby,
I can hold you tight
And you can feel alright,
This is the Reggae Night, baby

Look around everybody's getting down
You can move to the rhythm you can dance to the
sound
Tonight is the night and we're going to have fun
Everybody got to party till the morning sun with Beat
System
Jay Babe, Tony T. gonna stay till the end,
Put your hands in the air if you feel alright
Now drop it, it's Reggae Night.

*Repeat

Reggae Night, baby, you can feel alright
This is the Reggae Night, baby,
I can hold you tight
And you can feel alright,
This is the Reggae Night, baby.
