Feel like by Beatoxic
It happens frequently
Living in another reality
Couldn't help it if I tried
Thinking of something you said
Colors, brighter
Unreality

Feel like, I feel like
Feel like, feel like so unreal to me
Feel like, feel like in devotion
Feeling so unreal

Can't explain the reason
Couldn't help it if I tried
Certain that the sky has changed
It happens frequently
Living in another reality
Colors, richter
Unreality

Feel like, I feel like
Feel like, feel like so unreal to me
Feel like, feel like in devotion
Feeling so unreal

Pictures in my head
See them every day
Face the one responsible
Can't explain the reason
Couldn't help it if I tried
Living in another reality
Thinking of something you said
Unreality

Feel like, I feel like
Feel like, feel like so unreal to me
Feel like, feel like in devotion
Feeling so unreal

Feel like, I feel like
Feel like, feel like so unreal to me

Feel like, feel like in devotion
Feeling so unreal
