At the mall where we first laid eyes,
Tongue caught to my surprise,
I've got to let it out before it takes on me.
Walking down the street (Hey!)
Keeping up the mystery,
I'll keep rolling, keep playing till I get lucky

Slowly baby,
I've gone a little crazy but trust me
It's all for you
Slowly baby
I've gone a little crazy but trust me
There's nothing I can do.

Check this once, check this twice
Feel the pounding of your heart beat beat
Come on kid this is your scene.
Scream and shout spin me round
Feel the pounding of your heart beat beat
Come on kid this is your dream

I'm alive with the lights tonight
I wanna feel your pulse by my side
I'm helpless, weightless let's see where this takes us
You've got me got me going out of this world (woah!)
We're gonna leave them all behind
I know that you want to (I know that you need to)

Slowly baby,
I've gone a little crazy but trust me
It's all for you
Slowly baby
I've gone a little crazy but trust me
There's nothing I can do.

Check this once, check this twice
Feel the pounding of your heart beat beat
Come on kid this is your scene.
Scream and shout spin me round
Feel the pounding of your heart beat beat
Come on kid this is your dream

Last of my kind a dying breed
I'll take what I want, I'll take what I need
Your love is a drug I've had more than you know
Your life is short so learn to let go
Last of my kind a dying breed
I'll take what I want, I'll take what I need
Your love is a drug, I've had more than you know
Your life is short so learn to let go.

Check this once, check this twice
Feel the pounding of your heart beat beat
Come on kid this is your scene.
Scream and shout spin me round
Feel the pounding of your heart beat beat
Come on kid this is your dream
