(Verse 1)

Listen up, straighten up it's been too long now
Been forever and a day since I've heard from you
Lets pack away what we know today, and start out new

Could it be you and me
History in the making
A girl like you with a guy like me, leaves me shaking
Can't deny what I feel inside with you tonight

(Chorus)

You've got me going, and I'm going
Up and down, inside out
Hands on my heart, I can't break out
Oh oh, oh oh, you can't do this to me
Oh oh, oh oh, you're driving me crazy

Up and down, inside out
Hands on my heart, I can't break out
Oh oh, oh oh, you can't do this to me
Oh oh, oh oh, you're driving me crazy

(Verse 2)

Listen up, stand up you've got it going on now
Amazing eyes, cutest smile what am I to do
Pack away what we know today, it's all for you

You wont believe it but I mean it, my heart skips a beat
Sucker for a girl who knows how to party
Can't deny what I feel inside, with you tonight

(Chorus)

Youve got me goin', and I'm goin'
Up and down, inside out
Hands on my heart, I can't break out
Oh oh, oh oh, you can't do this to me
Oh oh, oh oh, you're driving me crazy

Up and down, inside out
Hands on my heart, I can't break out
Oh oh, oh oh, you can't do this to me
Oh oh, oh oh, you're driving me crazy

(Instrumental)

My heart splits in two
One for me and one for you
(Up down) My heart splits in two
One for me and one for you
(Up down) My heart splits in two
One for me and one for you
(Up down) My heart splits in two
One for me and one for

Up and down, inside out
Hands on my heart, I can't break out
Oh oh, oh oh, you can't do this to me
Oh oh, oh oh, you're driving me crazy

Up and down, inside out
Hands on my heart, I can't break out
Oh oh, oh oh, you can't do this to me
Whoa oh, oh oh, you're driving me crazy
