

Because They Can "Who You Are"

You are one of a kind,
Not afraid to speak your mind,
And you are left all alone,
Because of what you call home,

To set yoreself apart,
And follow your heart,
And do what's right,

Don't ever,
Never,
If forever,
Let yourself go,
Stay true to who you are,

Never,
Ever,
If forever,
Let those dreams fall,
We are in this together,

We are one of a kind,
Not scared and not in line,
We are the leaders of tomorrow,
Face world wars and sorrows,

We may be,
The minority,
We will fight together,
In harmony,
And win that fight,

Don't ever,
Never,
If forever,
Let yourself go,
Stay true to who you are,

Never,
Ever,
If forever,
Let those dreams fall,

We are in this together,

We are one,
One to overcome,
A public enemy,
So take authority,

We are one,
One to overcome,
A public enemy,
So take authority,

Don't ever,
Never,
If forever,
Let yourself go,
Stay true to who you are,

Never,
Ever,
If forever,
Let those dreams fall,
We are in this together,
