Congratulations, you've done it again Please take me home,
Cause I feel we reached an end Don't try to save this, nothing
You can do Saturday morning my thoughts won't be of YOU
There's nothing you can do there's nothing you can say
There's nothing you can do to make me want to There's
Nothing you can do there's nothing you can say There's
Nothing you can do to make me want to STAY
[HARDCORE YELLING SCREAM SCREAM etc etc.]

Just another happy love song, (love song) to let you know
That you were wrong I wish that we never met I'd do my very
Best to forget Just another happy love song.... Only see you
In my dreams everyday I know it seems that we're drifting
Farther apart.....
