(Mexican sounds)

You said that you were through  
Should have known better than to listen to you  
You said that you had found your way  
Why are you standing here today?

(Mexican sounds)

She's done this twice before  
And she'll do it twice again  
She's not the enchalda  
But I wont let it happen  
To say that you're just ducking  
But I know that you'll cave in  
You're sleeping on the floor  
Cause she did it once again

(Mexican sounds)

You said that you'd be stronger  
When it hurt for much longer  
You said that you had figured out her tricks  
Telling ya' know this makes me sick
