at night you're all i ever see. i won't argue,
you know that you're all i want to be.
i can't take you back before it's all too late,
i know my hopes i'll dedicate my hopes,
its all on me.

please take this lonely picture
draw it in the sky before it vanishes tonight.
can someone tell me why?
in time it will erase,
leave my heart it will replace my soul,
its all on me.

you'll be my juliet, and i'll be your romeo.
in time we'll shut them out,
burn this town right to the ground and run,
it's all on me.

you know your never there, but i can't blame you. you
know i was never one to care.
i can't take you back before it's all too late,
i know my hopes i'll dedicate my hopes,
it's all on me.

please take this lonely picture
draw it in the sky before it vanishes tonight. can
someone tell me why?
in time it will erase,
leave my heart it will replace my soul
it's all on me.

you'll be my juliet, and i'll be your romeo.
in time we'll shut them out,
burn this town right to the ground and run
it's all on me.
it's all on me.
it's all on me.
