The Website is Under Construction
The Website is Under Construction
But there's no need to worry
We've just been in Jersey,
Recording and Album for you

So have no fears and dry those tears
Cuz hammer times a day
Say hammer, go hammer. M.C. hammer go hammer
and the rest can go and play
and when we return
We can have a king time
Here's a song in the meantime
To hold you overboard

[Speak]

Actually, Overboard was a movie that came out in 1987
featuring Kurt Russell and Goldie Hahn.

It

was a good one

[Sing]

And when we return
we can fight the bad guys
Concern ourselves with Lindsey Lohan's life
Then first we'll find the cure for cancer
then maybe we'll find the answer
to the question that's on everybody's mind
For the question that's on everybody's mind!

Where the hell, is coolio tonight
where the hell, is coolio tonight

Had a few hits back in 96' when he drove off the end of
the Earth

[Speak]

I love you Mr. Coolio, for everything it's worth

[Sing]

I've been watching reruns of Full House
and Fresh Prince of Bel-Air
But I wrote this song to remind you we're still here

And that we still care

In the meantime you can bump this jam
If you're making eggs with fat free spray spam
Getting fatter day by day
losing breath but that's okay
For a lowdown ,Geez that's crazy
We Put Out, is a label that pays me

I wrote this song to let you know
