It was an extra class on a holiday
When i saw u on the way....
U looked so hot n made a slot
in ma heart straight away....

I fell in love
Dint even know
Donno what to say...
U looked at me
N gave a smile
N walked along the way...

All i wana sayyyyyy yeah....

Wish i could be only one,who knows ur heart..
Wish i could be only one,who make u smile...
Wish i could be only one,to hold ur hand..

Wish i could be only one....
the only one..
Meant for u.

We both alone on the beach
Walking along the sea
Thunder cracked
n u just freaked
just caught hold of me

Arm in arm
With a lovely charm
Ur eyes turned to me

Thunder cracked again
It began to rain
what a perfect timing

All i wana sayyyyy yeah,

Wish i could be only one,who knows ur heart..
Wish i could be only one,who make u smile...
Wish i could be only one,to hold ur hand..

Wish i could be only one....
the only one..
Meant for u.

U Make me laugh
U make me talk
U define the happiness

U r the galaxy
With full of stars
That fills away ma emptiness

M full of thoughts
But out of words
For u to say

Now things r pretty changed....

You r the only one,who knows ma heart.....
You r the only one,who make me smile

You r the only one,to hold ma hand....

But the most all.....

We r the only lives
Ment for each other.
