Get down on the floor
And DANCE c'mon
You got to move your thing
Let's DANCE c'mon
And let the party go on
You got to shake it till the dawn
And lose your body control
Let's DANCE c'mon
Do it one more time yeah
The thing you do the way I like it oOoh
The way you move that thing
It makes me go insane
We got to DANCE c'mon
And let the party go on

Oh la la la la la la la DANCE
Cause my heels on fire

Let me see your booty
Like to shake it for your daddy
I know that you feel alright
And wanna do it all night
DANCE c'mon and let the party go on
So burn up your heels and
Don't stop dancing till the dawn

Shhh you gotta work it out
You gotta work it out don't give up
DANCE! cause my heels on fire

Oh la la la la la la la DANCE
Cause my heels on fire
