Hey yo, it's on, check my catalogue  
Bully beats and share the songs  
My kush strong I cut along  
That gravel road, I travel along  
Miniatures, y'all minimal  
I kill them all, I finish all  
They checking into my history  
They found out I've been involved  
... is with me, you fucking with me  
Want me gone then come and get me  
Can't hold me down, they know me now  
Over grounds, over clouds  
I'm too focus, you hopeless  
Thinking now I might go move forward  
They got 20 20 I'm a visionary  
No dose, still picture mary  
Boys say he too changed  
I booze that, turn blue black  
They heard this, like who's that  
I put new school, that boo back  
I'm moving out, turn it up  
Till someone's saying that's too loud  
I'm too hot, I can't cool out  
... move crowds

My destination is top of the world  
Top of the world

... I'm cold hearted, no die fear  
Maybe different, my pop's here  
Turn it up, no vouch here  
Cheaper cloud my thoughts...  
Still drop jewels, the chosen one  
Like OC, my flow's numb  
Work hard, these days long  
... doll, I came... pray to god I'm king now  
Don't smell loud, that hate, nah  
Swallow it,... I'm real talk, no counterfeit  
I came to buzz,... raging on, pay tomorrow  
Ray bans like Ray Charles  
Name brand like... I cut the bars like crayons  
Wishing all this... y'all's is wasted

Good money take all the braces... so close that I can  
taste it  
I'm high as hell, no tippy toes,  
Molly paper, switch the road,... we dog wild

It's for the soul man  
My destination is top of the world  
Top of the world
