Hype non-stop!
The chop non-stop!

Refrain: One step
Too many
When will you just give it up
We call it two times, two times already
Will you ever take it to a stop

1e Couplet: Don't you come bothering my door
I have heard that one before
We just had it televised
Witnessed it with my own eyes

You're one step dares me to take one
Mine accompanied by the nation
Kept I busy with observation
Now are you ready for the confrontation

Refrain: One step
Too many
When will you just give it up
Two times, two times already
Will you ever take it to a stop

2e Couplet: Bad example all the time
Change the blood into the wine
While the wine is in your blood
Cast the first stone like you're...

Got, your finger one the trigger
Draw your first draw but I'll be quicker
Get up, stand up the beef is getting bigger
Chop shop influence 'em all

Refrain: One step
Too many
When will you just understand
We call it two times, two times already
Will you ever take it to an end

Back by popular demand feeding hungry eyes

Not aware of the fact we're fed by a devil in disguise
Only now I understand you use my brother as a
supplement.
Lively up yourselves
Who said lively up yourself

One step

5x Lively up yourself

Hype non-stop!
The chop non-stop!...
