You say you love me but you love me not  
Something about true love that you must have forgot  
To lose a memory I know just where to go  
Somewhere between Texas and Mexico  
Somewhere between Texas and Mexico

(chorus):

King fish are jumping - the moon is right  
Full throttle captain til the we're out of sight  
Stars on the ocean will find me I know  
Somewhere between Texas and Mexico  
Somewhere between Texas and Mexico

South Padre Island to the Brownsville Bay  
My heart is healing with each breaking way  
But I got some real friends and they're ready to go  
Somewhere between Texas and Mexico  
Somewhere between Texas and Mexico

(chorus)

It's gonna take just a little more time  
With a little help from the salt and a lime  
Something about the wind and the sea sets a broken  
heart free out there yeah

(chorus)

Somewhere between Texas and Mexico
