(Steve Winwood)

Come down off your throne and leave your body alone
- somebody must change
You are the reason I've been waiting so long -
somebody holds the key
Well, I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home

Come down on your own and leave your body alone -
somebody must change
You are the reason I've been waiting all these years -
somebody holds the key
Well, I'm near the end and I just ain't got the time
And I'm wasted and I can't find my way home
