"Country Star"

Well I sure am tired of these coffee house gigs
Cause there ain't no money and there ain't no chicks
It's gettin harder and harder to get my kicks so I
bought a little ticket to Nashville
Cause I wanna see my name up in neon lights drink
pink champagne and party every night
All them lucky muthers up there livin the life man I
gotta get my ass to Nashville

Cause

I wanna be a country star
and take it all way to far
drinkin free in every bar
just like Bocephus

A I think it'd be a cryin shame
not to have my own airplane
I wanna go up in flames me and my guitar
Man I wanna be a country star

Well I got a drinkin problem so I'll fit right in
Gonna sing me some hits and get some famous
friends
I'll be ridin shotgun with Kenny, Faith, and Tim
And I wonder how they lived without me

I'll get "Big & Rich" rich and build a big ol' house

With a big ol' fence to keep the rif raf out
Call my old girlfriends say "how ya like me now"
C'mon baby tell me what ya love about me

I'm gonna be a country star
and take it all way to far
breakin all the young girls hearts
just like Keith Urban

Man I'm thinkin that sure sounds fun
Rockin out with Brooks and Dunn

All the way to number 1
Me and my guitar
Man I wanna be a country star

Playin golf with Vince and Willie
Hangin out with Carrie UNDERneath those big
spotlights

YEAH YEAH

YEAH YEAH

I'm wanna be a country star
take it all way to far
breakin all the young girls hearts
just like Keith Urban

OH

Man I think it sure sounds fun
Rockin out with Brooks and Dunn
All the way to number 1
Me and my guitar
Man I wanna be a country star

Country Star

YEAH!
