She holds the key to Eden's gate
Somewhere deep inside
Well, she gives to me her patience
And a hundred smiles, none the same

Her eyes are the ocean
I am drowning constantly
I am lucky just to linger
In the corners of her scene

And I am lost inside the walls of Eden
Don't you ever set me free
I am lost inside the walls of Eden
And I'll never go back, no I'll never go back again

Outside, the world's a bastard
The son whose father never cared
It keeps on raging like some crazy storm
Knocking here

And I am lost inside the walls of Eden
Don't you ever set me free
I am lost inside the walls of Eden
And I'll never go back, no I'll never go back again

And all it cost me was my whole life and all it gives me
is everything
A love like fire, the taste of skin, the feeling of falling
again and again
It's a long drink from a deep cool well
It's everything baby, it's everything baby, it's
everything

And I am lost inside the walls of Eden
Don't you ever set me free
I am lost inside the walls of Eden
Don't you ever set me free

I am lost inside the walls of Eden
And I'll never go back, no I'll never go back
Never go back, no I'll never go back
Never go back, no I'll never go back again
