Hearts and flowers, forget love letters
Pain and anger, forget forgiveness
Love ain't waiting for a guy like me

Debutants and champagne, diamonds and cocaine
I ain't the son of outrageous fortune
Cash ain't status for a guy like me

Put me on a cool river
Take my worries from me
Fly me high into the big blue sky
Where there's no one here but me
Aw, just me

Long black limousine, pictures in magazines
All night parties, beautiful people
No super model for a guy like me

I'm just a good man, I work with my hands
I get the picture, I heard the message
Hell ain't waiting for a guy like me

Put me on a cool river
Take my sins from me
Fly me high into the big blue sky
Where there's no one here but me

Put me on a cool river
Take my pain from me
Fly me high on the big blue sky
Where there's no one here but me
Yeah, just me

Hearts and flowers, forget love letters
Pain and anger, forget forgiveness
Love ain't waiting on a guy like me

So put me on a cool river
Take my worries from me
Fly me high on a big blue sky
Where there's no one here but me

Put me on a cool river
Take my worries from me
Fly me high on a big blue sky
Where there's no one here, just me
Yeah, just me
