Can you help me out with somethin'
'Cause I feel a little sad inside?
Did you turn me on for nothin'?
Are you sad or satisfied?

It was long before today
That I felt you were slippin' away

And you can't change anythin'
You can't change anyone
You can't do nothin' about the way I feel

You can lay into me
It won't change anything
Won't change nothin' about how I feel

About my little Heaven
My little Heaven

Can I pay you some attention?
Tell me, would it be okay?
I'm a little imperfection
In your picture perfect day

And I don't think I could take it
If I thought you were tryin' to fake it

And you can't change anythin'
You can't change anyone
You can't do nothin' about the way I feel

You can lay into me
It won't change anything
Won't do nothin' about how I feel

About my little Heaven
My little Heaven

If you want me baby, I'll be there
Take me away

You can't change anythin'

You can't change anyone
Can't do nothin' about the way I feel

And you can lay into me
It won't change anything
Won't do nothin' about how I feel

About my little Heaven
My little Heaven
My little Heaven
