You say you love me but you love me not
Something about true love that you must have forgot
To lose a memory I know just where to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

King fish are jumping, the moon is right
Full throttle captain 'til the we're out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

South Padre Island to the Brownsville Bay
My heart is healing with each breaking way
But I got some real friends and they're ready to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

King fish are jumping, the moon is right
Full throttle captain 'til the we're out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

It's gonna take just a little more time
With a little help from the salt and a lime
Something about the wind and the sea
Sets a broken heart free out there, yeah

King fish are jumping, the moon is right
Full throttle captain 'til the we're out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico
