You say you love me but you love me not
Something about true love that you must have forgot
To lose a memory I know just where to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

(Chorus:)

King fish are jumping - the moon is right
Full throttle captain til the we're out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

South Padre Island to the Brownsville Bay
My heart is healing with each breaking way
But I got some real friends and they're ready to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

(Chorus)

It's gonna take just a little more time
With a little help from the salt and a lime
Something about the wind and the sea sets a broken
heart free out there yeah

(Chorus)

Somewhere between Texas and Mexico
