When the rain falls on Washington Avenue, We would
close our eyes and hold our breath, That's when I met
you, so many years ago, Yes, I fell in love, and I ain't
forgot yet

CHORUS

You make the time go by
Just like it never happened
And I can feel your love down in my soul
So take my heart and take my life if you want to
Because without you I don't need them at all

And so good night , Dream of me while you're
sleeping, Yes and kiss me when, You leaving with the
dawn

CHORUS

And yes we'll dance
Dance our way through our lives
And we'll remember all the rain On Washington Avenue
