Chorus:

Feel free to say no now  
Everybody get up and shout it out  
Feel free to say no now  
Don't you give a damn about your life now?

Friday night about ten o'clock  
In the back seat getting hot  
Couldn't wait to get you in bed  
Pulled it out and you went ahead

I said stop -wait- what is that  
Steaming up in my Cadillac  
Couldn't see and I couldn't breathe  
You're about to kill it, lady

Bridge:

Girl you know that I'm the only one that gives a damn  
Grow up, start to use your brain  
or find another man

Repeat Chorus

I'm getting deep and I'm getting close  
To finding out what u love the most  
But I don't know why they're telling you  
Sunday night I'll be over you

Stop-wait-listen up  
Before we lose everything we got  
Lots of things you can stimulate  
But you're to kill it, lady

Repeat Bridge

Repeat Chorus

Say it to me-tell it to me-say it to me  
Say it to me- tell it to me- say it to me baby  
Say it to me-tell it to me-say it to me  
Say it to me-tell it to me-say it to me baby

Repeat Bridge

Repeat Chorus (to end)
