I'm ready to fight my battles in new ways
Ready to say goodbye forever
And though I'm gonna miss the old days
I've never felt this good, Never!
We're horrible together and terrible apart
A wonderful contradiction
Lying is your art
So here's to you my fair weather friend
We didn't see this coming
But this is where it ends
I'm ready to fight my battles in new ways
Ready to say goodbye forever
And though I'm gonna miss the old days
I've never felt this good, Never!
It's hard to say that I don't miss you
It's hard to act like I don't care
Broken promises, Torn up notes
It's time for me to take a stand
I'm ready to fight my battles in new ways
Ready to say goodbye forever
And though I'm gonna miss the old days
I've never felt this good, Never!
(Solo)
I'm ready to fight my battles in new ways
Ready to say goodbye forever
And though I'm gonna miss the old days
I've never felt this good, Never!
Whoa!
