On a cold summer day we were holdin' hands.  
Blue birds blue sky, you remember when.  
But then you disappeared,  
it's like you vanished in thin air.  
And it tears me apart to think you never cared.

You're taken away from me,  
you're taken away from my heart.  
You're runnin' away with my love,  
I never even got a start.  
You're taken away from me,  
you're taken away from my life.  
You're runnin' away with my heart,  
when I think about you now.

You were my whole life and now you're gone.  
My future plans have been withdrawn.  
You can do what you wanna do,  
I know you've got the right.  
If you keep runnin' on like this,  
you'll be runnin' your whole life. C'mon!

You're taken away from me,  
you're taken away from my heart.  
You're runnin' away with my love,  
I never even got a start.  
You're taken away from me,  
you're taken away from my life.  
You're runnin' away with my heart,  
when I think about you now.

(Woah, woah, woaoah)  
(Woah, woah, woaoah)  
(Woah, woah, woaoah)  
(Woah, woah, wooh)

You're taken away from me,  
you're taken away from my heart.  
You're runnin' away with my love,  
I never even got a start.  
You're taken away from me,

you're taken away from my life.  
You're runnin' away with my heart,  
when I think about you.

Taken away, taken away,  
taken away, away from my heart.  
Taken away, taken away,  
taken away, away from my heart.
