I'm not a savior so do me a favor, stop and see me  
sometime  
Don't need you to save me I'm ready to break free  
Just need somebody to say  
You know you're never too far away  
You know you're never too far away

Help me 'cause I'm off the radar screen  
Help me 'cause you know just where I've been  
Help me 'cause I've lost my faith  
Help me mend my broken ways  
But I just can't help myself  
Have you lost your beautiful ways  
You lost your beautiful ways

You started out lovely and somehow you changed me  
I thought it'd be easy to see  
I came to you lonely  
Somehow I won't be walking this line along with you  
You know that you're never too far away  
Oh, you're never too far away

Help me 'cause I'm off the radar screen  
Help me 'cause you know just where I've been  
Help me 'cause I lost my faith  
Help me mend my broken ways  
But I just can't help myself  
Have you lost your beautiful ways?  
You lost your beautiful ways

It's occurred to me that you won't be hanging around  
I guess I don't mind cause you always put me down  
But I never thought I'd see you on the ground  
And you're supposed to save me

Help me 'cause I'm off the radar screen  
Help me 'cause you know just where I've been

Help me 'cause I'm off the radar screen  
Help me 'cause you know just where I've been  
Help me 'cause I lost my faith  
I can't afford to live this way

And I just can?t help myself  
Have you lost your beautiful ways?  
You lost your beautiful ways

You lost your beautiful ways  
You lost your beautiful ways
